Abstract:

HSD Oil, the blood of any vehicle to operate its day to day functions. For an organization which survives on the movement of the vehicles, how much of importance could be the HSD Oil. TSRTC being an organization which is formed to transport the human beings from their origin to the destination is totally dependent on the HSD Oil for day to day. The current paper focuses on the importance of HSD Oil and its influence on the overall financial performance for the corporation. TSRTC being a gigantic structure that operates over lakhs of Kilometers in a day and requires thousands of liters of HSD Oil to operate such kilometers. A minute change in the KMPL could result in a significant change in financial performance of TSRTC. Present study focuses on the importance of HSD Oil and provides certain steps to improve the mileage for the betterment of the corporation. The study shows the impact of minute change in KMPL on the overall financial performance of the corporation

Key Words: Enhancement of KMPL, Importance of HSD Oil, Improvement of financial performance, Reduction of Cost.
